Re:	**TAMCO Ridge Anchors**		

To Whom It May Concern,

Polyfoam Products, Inc. has participated in third party independent testing to verify that TAMCO Ridge Anchor products are compatible with Polyset® AH160 Roof Tile Adhesive. Polyfoam Products, Inc. approves the use of TAMCO Ridge Anchors with Polyset® AH160 Roof Tile Adhesive. Uplift results may be found in FBC Approval 2479.1 under LV Thompson Ridge.

If you have any further questions, please contact me at anytime.

Thank you,
Riku Ylipelkonen
Manager of Technical Services
